Bulent Ecevit and Rahsan Ecevit Sculpture

Bulent Ecevit, one of the important figures of Turkish political history, and his wife Rahsan Ecevit are immortalized side by side in a sitting position in this unique sculpture work. The double figure composition symbolizes both a personal and political togetherness. Offering visitors a warm atmosphere with their calm and natural postures, this work is a concrete expression of respect for history and these names.

Sculpture Features

The sculpture produced from fiberglass material is finished with white matte coating, and bronze patina or different color applications can be made in later stages. The characteristic cap and casual clothing details of Bulent Ecevit and the elegant posture and clothing features of Rahsan Ecevit are modeled with anatomical accuracy. The facial expressions and hand details of both figures are meticulously crafted. It can be produced to order in different size options.

Areas of Use

It is an ideal monument sculpture for municipal parks, cultural centers, university campuses and public spaces that embrace political history. It offers a meaningful and permanent choice for institutions and local governments that want to keep the political legacy of Bulent Ecevit alive. It also creates an interactive sculpture experience where visitors can sit next to the figures and take photographs.
